

Welcome to our FEDCO GROUP BULB Order

Instead of filling out the order forms that are in the catalogs, each person can place their order on line, following the instructions below. These instructions will allow the individual orders to be placed as part of the Food Coop's group, and to be shipped to the Food Coop. It also makes FEDCO's job easier which in the long run reduces operating costs. Anyone without access to a computer is welcome to fill out the order form and get it to me by the deadline. Let me know if you have any questions and I will be happy to help you sort it all out. Thanks, Alice
